***Adoption Application***

Instructions: Please complete all questions as much detail as possible. You should be applauded for your interest in providing a loving home for a rescued animal. Our concerns are properly assessing each home for preparedness and making an appropriate match. These animals are as individual as the humans seeking to adopt them. We wish all adoptions to be successful, joyful and permanent - so please be honest and do not hesitate to call or email at any time with questions.

Due to the unknown/unverifiable content of a rescue, please explain in detail so that the proper animal may be matched to your experience, time availability and personality. This is important to both you and the wolfdog to make as compatible a match as is possible. Little or no experience with a wolfdog does not mean that you would not be a perfect match, it only lets us know the best possible animal to suit you.

Thank you again for your interest. Please send completed application to the above address.
